3. История праздника

Now read the text about Halloween traditions one by one.

On the 31st of October people in the USA, Great Britain and some other countries celebrate a wonderful holiday – Halloween. In Britain it is a day for fun. There are always a lot of parties that night.

Some people wear masks, others dress as ghosts and witches, skeletons and ghosts.

People carve jack-o'-lanterns out of pumpkins. Most jack-o'-lanterns contain a candle inside. An Irish legend says that jack-o'-lanterns are named after the man called Jack. He could not enter heaven because he was a miser, and he could not enter hell because he had played jokes on devil. What do you think happens with Jack in the end? As a result, Jack has to walk on the earth with his lantern until Judgment Day.

At the parties both adults and children have fun, they play different merry games. Children go from house to house and say "Trick or treat". If people don't give them candles, cookies and fruit, children may play trick on them, like splashing water in their face. No Halloween party is complete without a scary story. Usually people crowd together around a fire on Halloween night. And one person tells a scary story in a low voice.

So who can tell me what is the main symbol of Halloween? Absolutely right, the main symbol of the festival is Jack-o'-lantern.
